My Play Words

For PHONICS, use the sound buttons – dashes show any letters working together to represent a single phoneme

Click on each word to hear the separate sounds followed by the whole word

SPLIT WORDS will show any syllable splits

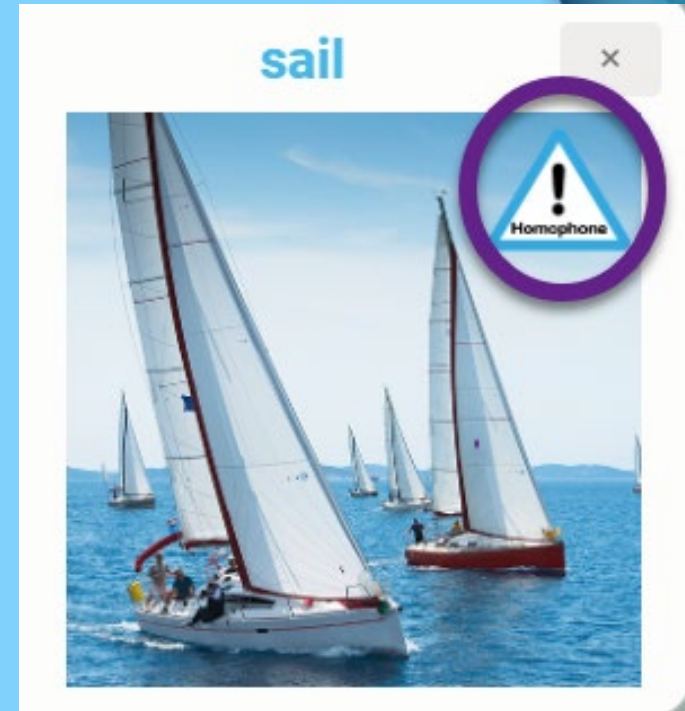

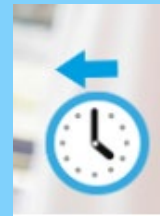

Homophones

Homophones will have a sign and say a clue out loud,
for example, for 'sail'

you will hear 'Sail: sail a boat'

And for past tenses you will see

Be the detective – most important of all
